

The Devil

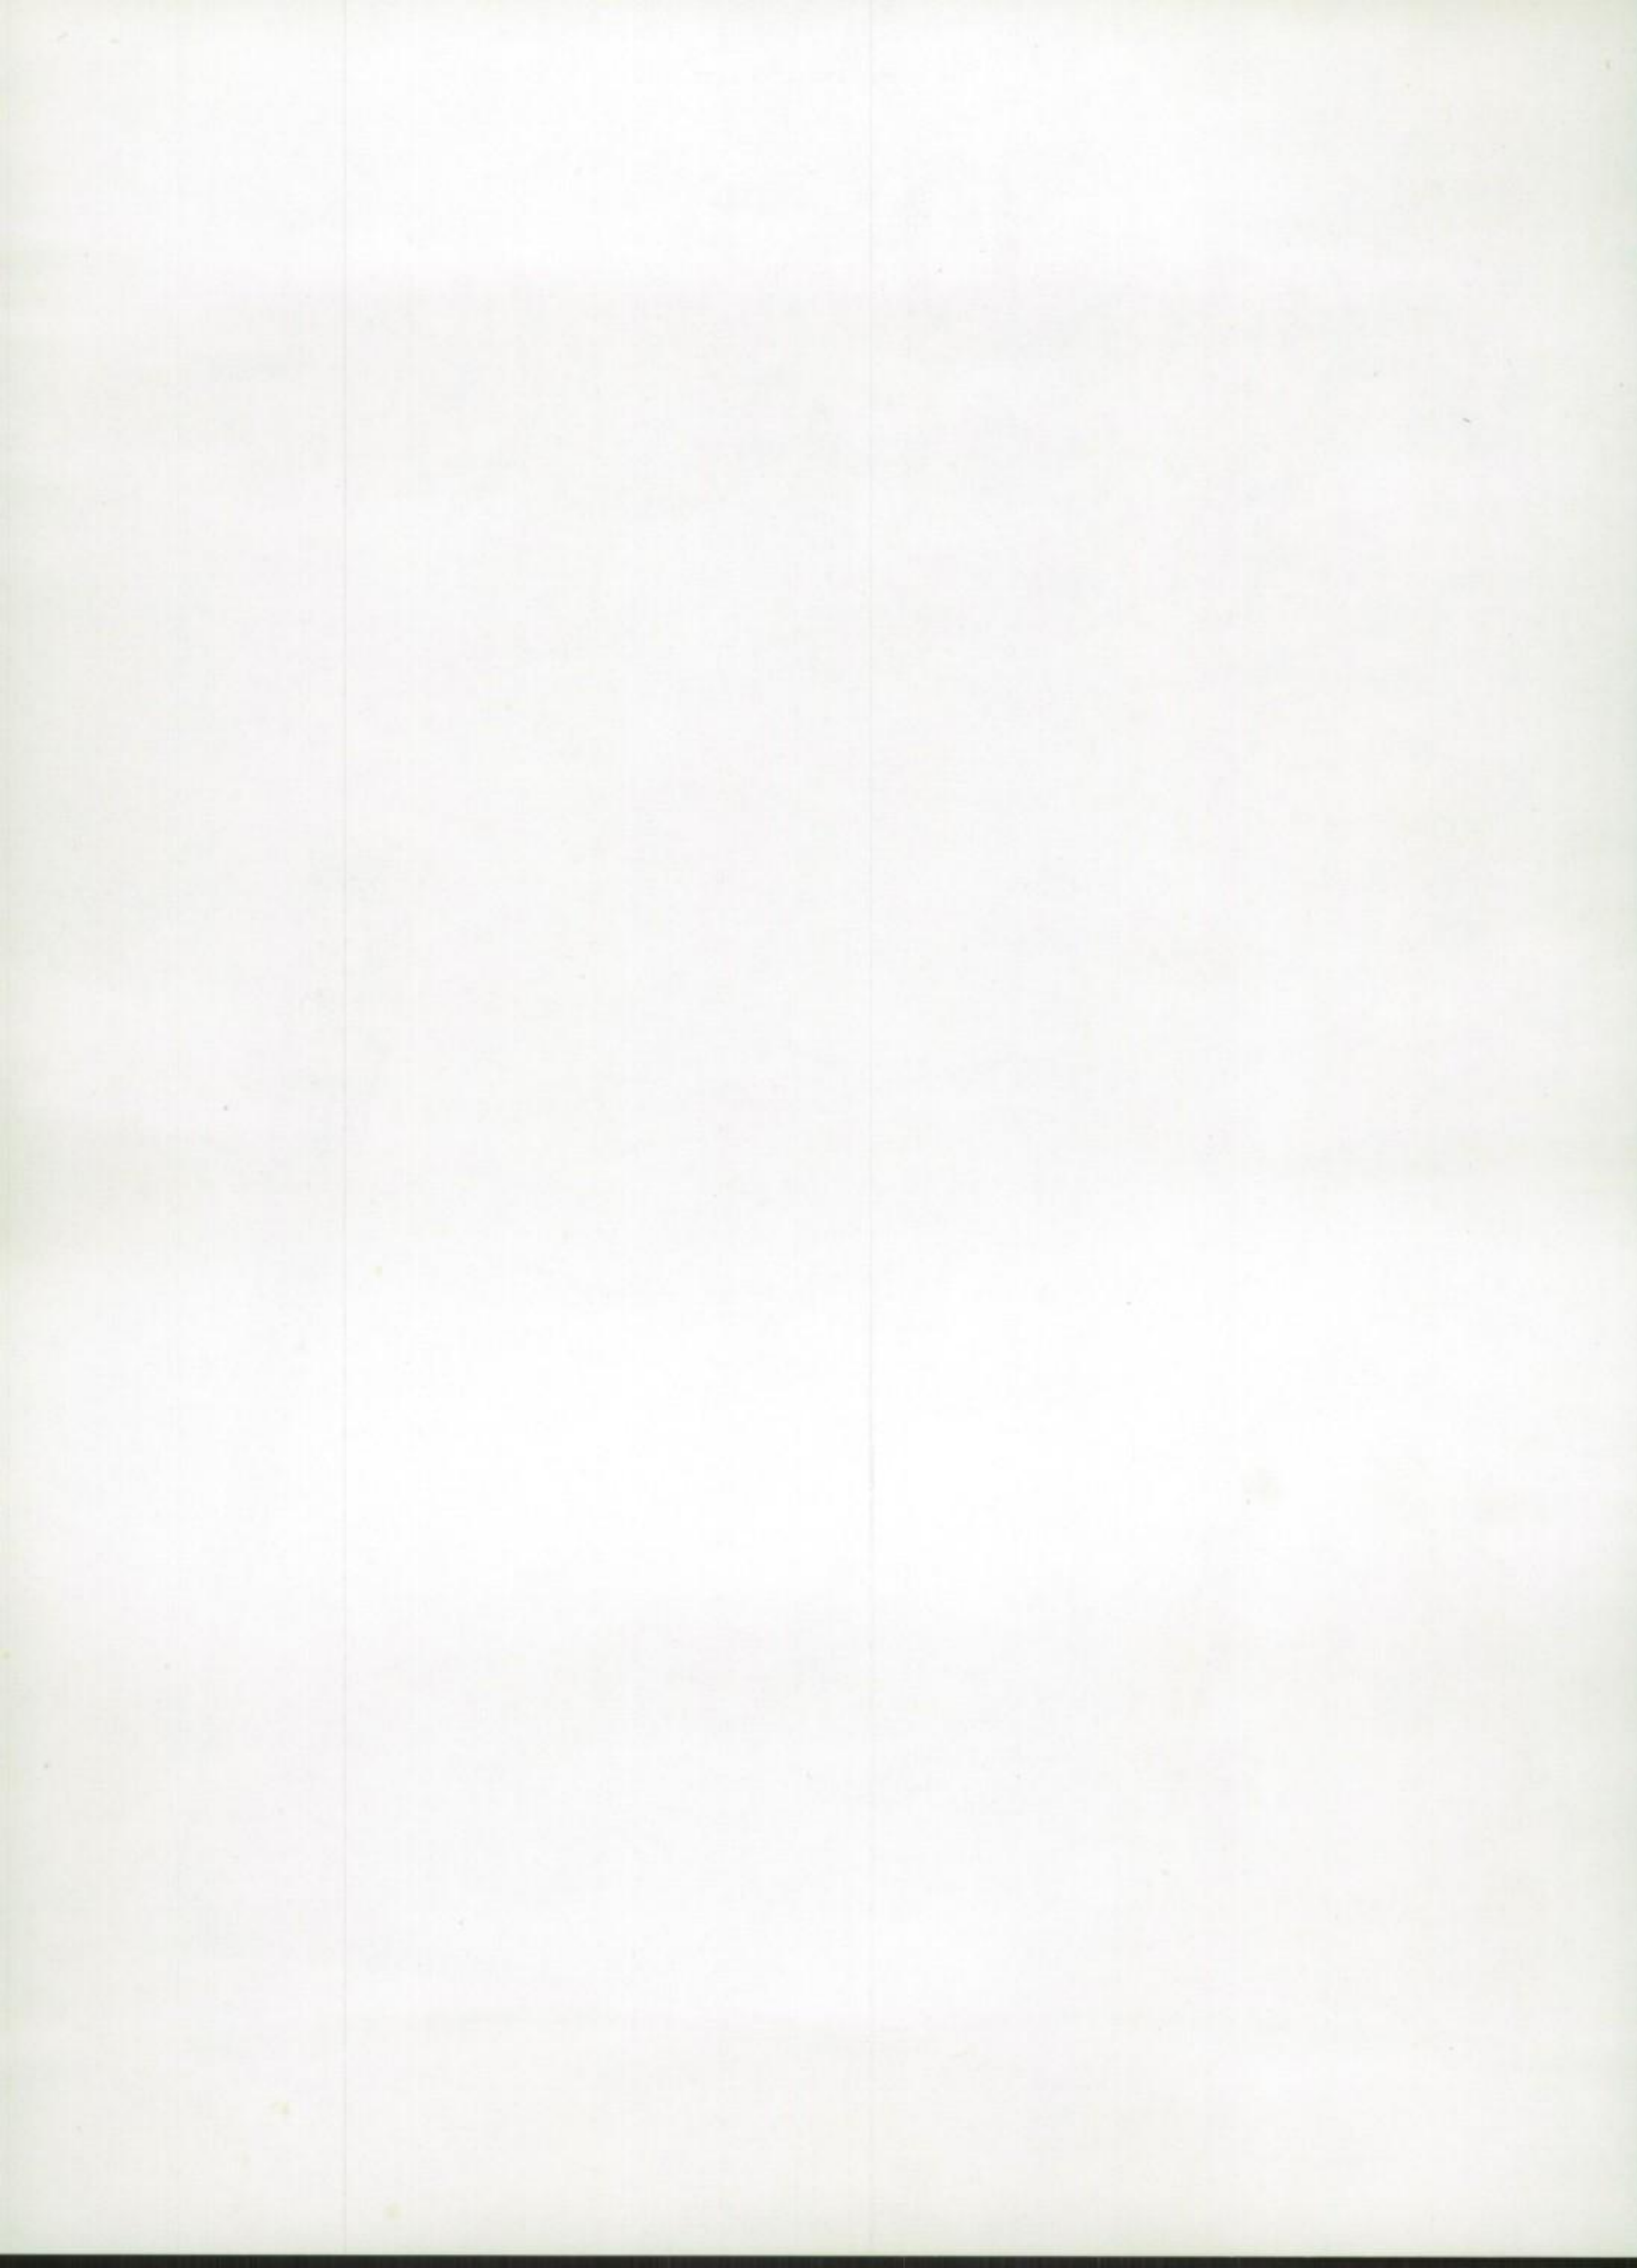

The 1955 YEARBOOK

DHS

It is our purpose to provide a store of pleasant memories to remind the reader of the eventful years spent at Dayville High School. If this purpose is achieved, our efforts will have been sufficiently rewarded.

The Staff

DEDICATION

The Student Body dedicates the "Devil" of 1955 to our sincere friend and Superintendent, Mr. Acaiturri.

Words would be futile in expressing our appreciation for your untiring efforts at all times.

Your picture will be among our souvenirs, but the impression you left will be with us always.

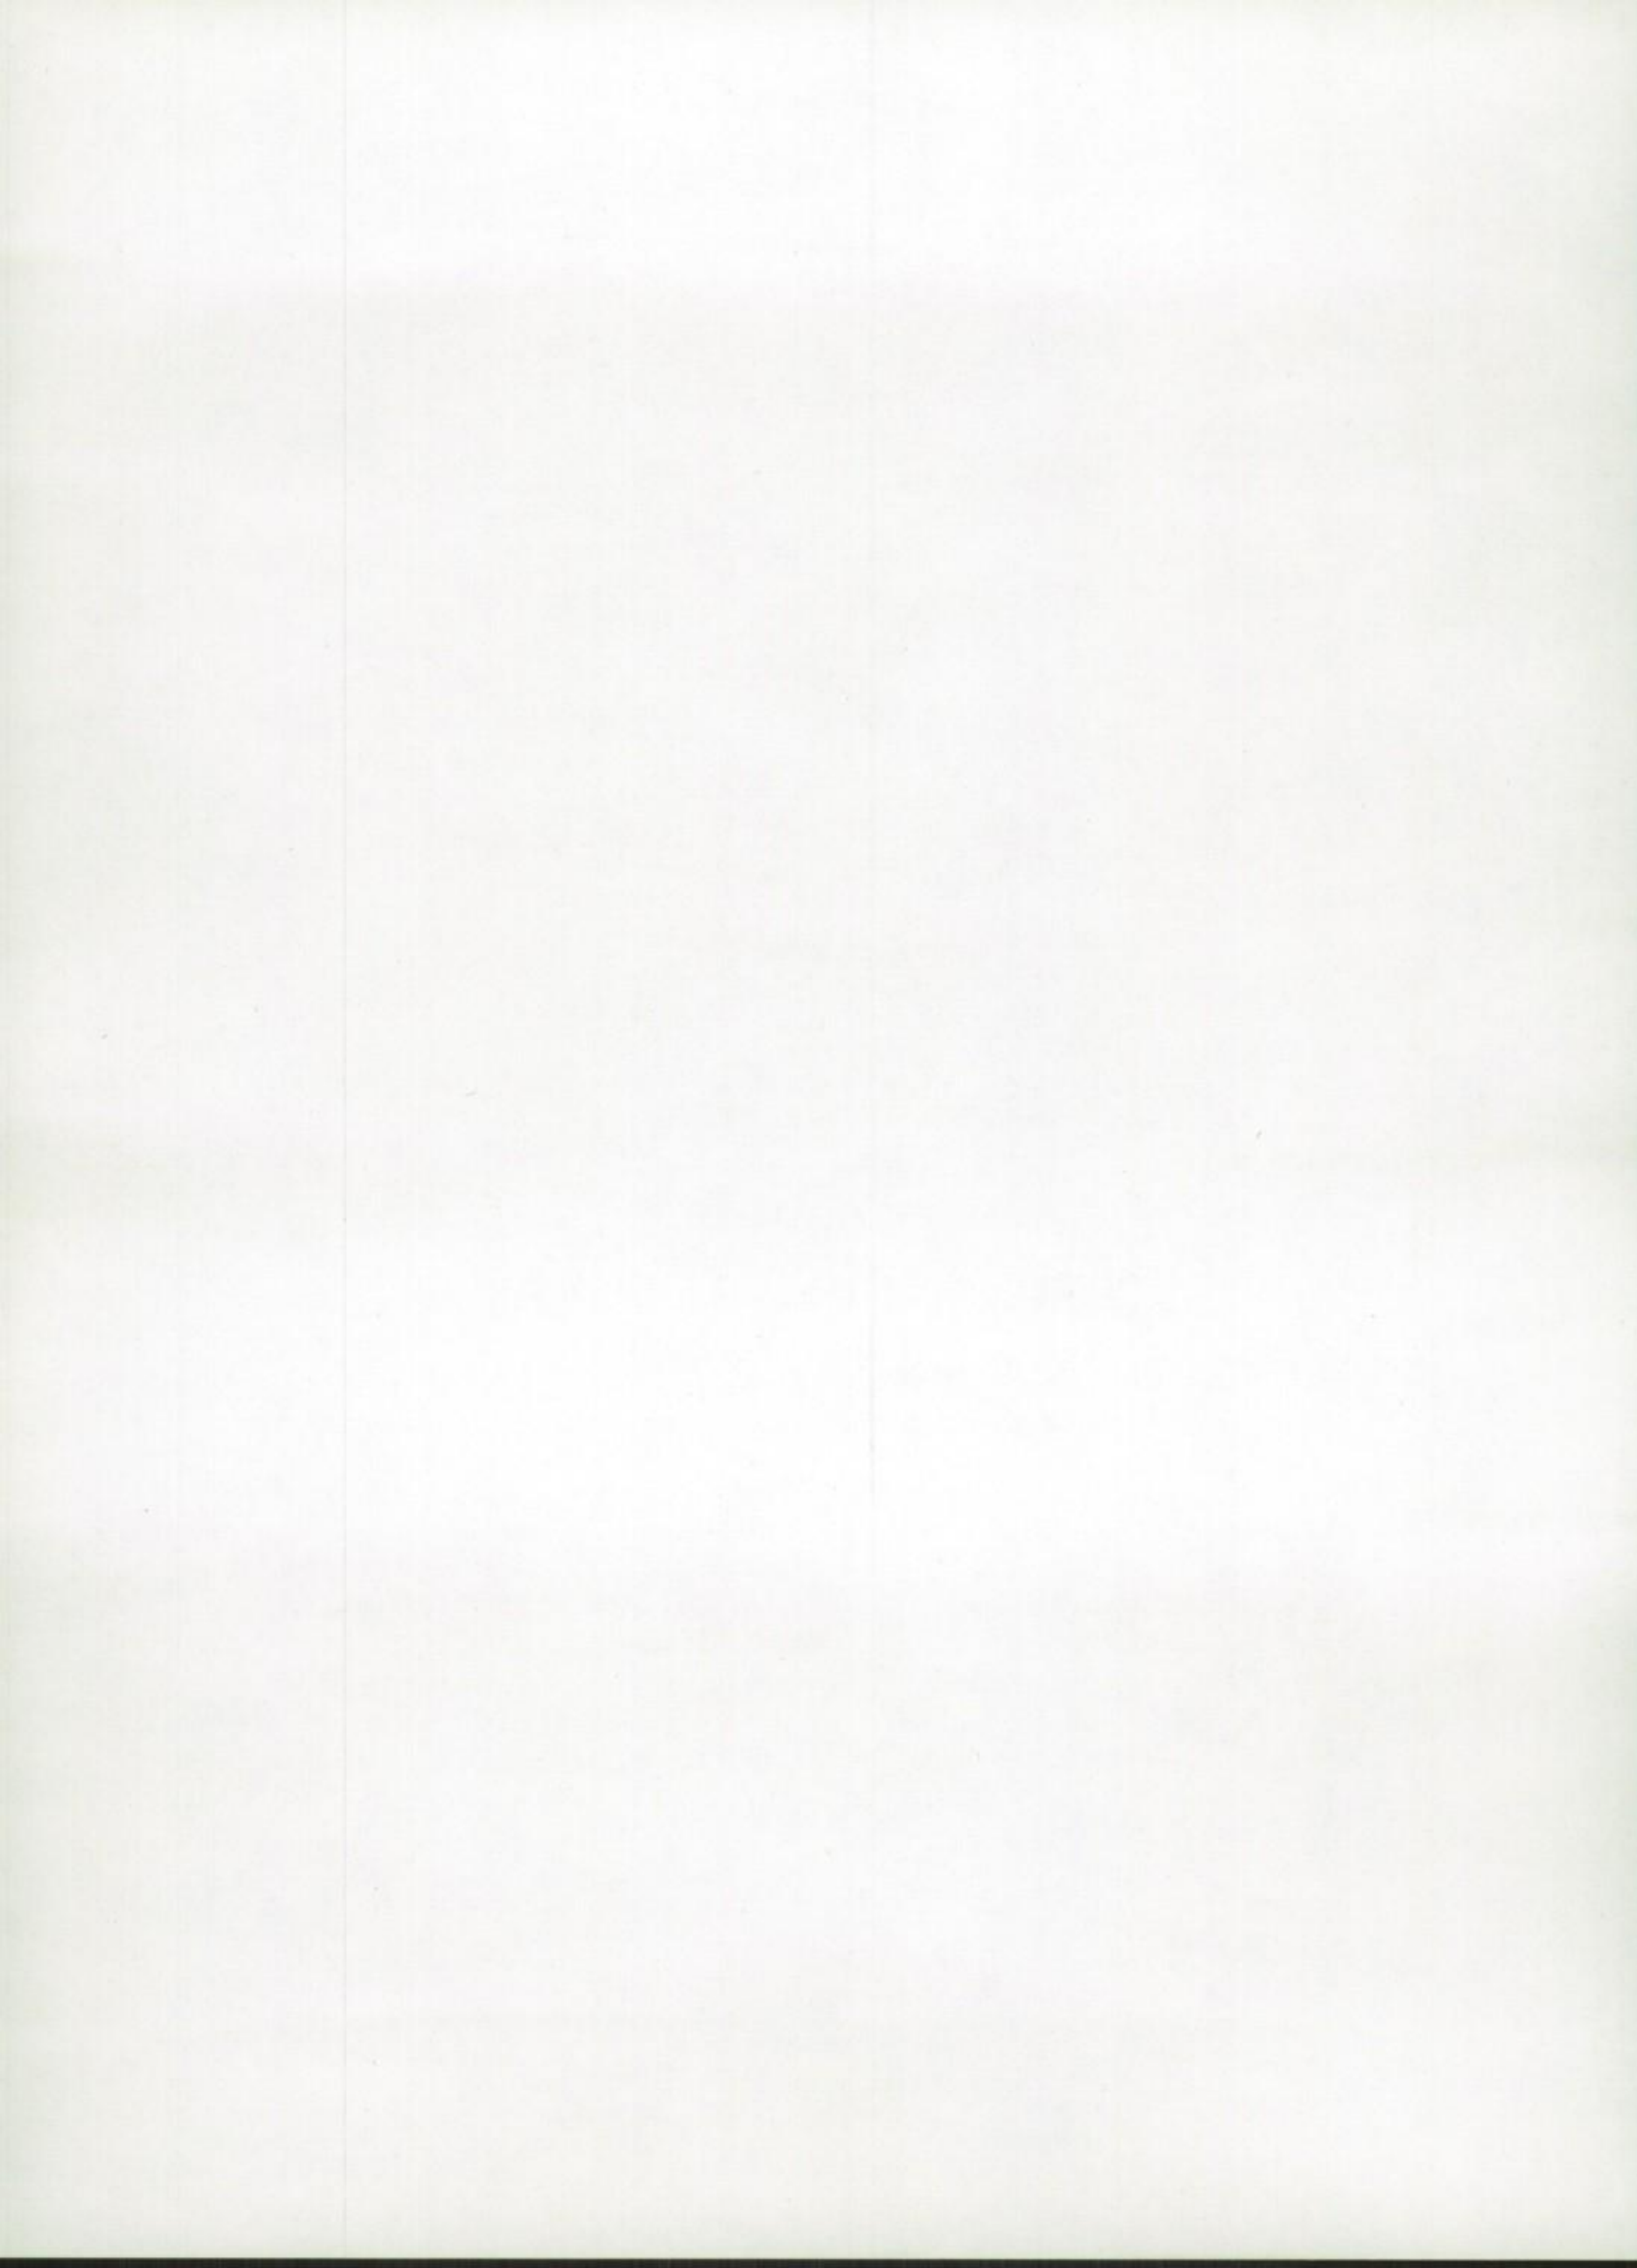

SUPERINTENDENT'S MESSAGE

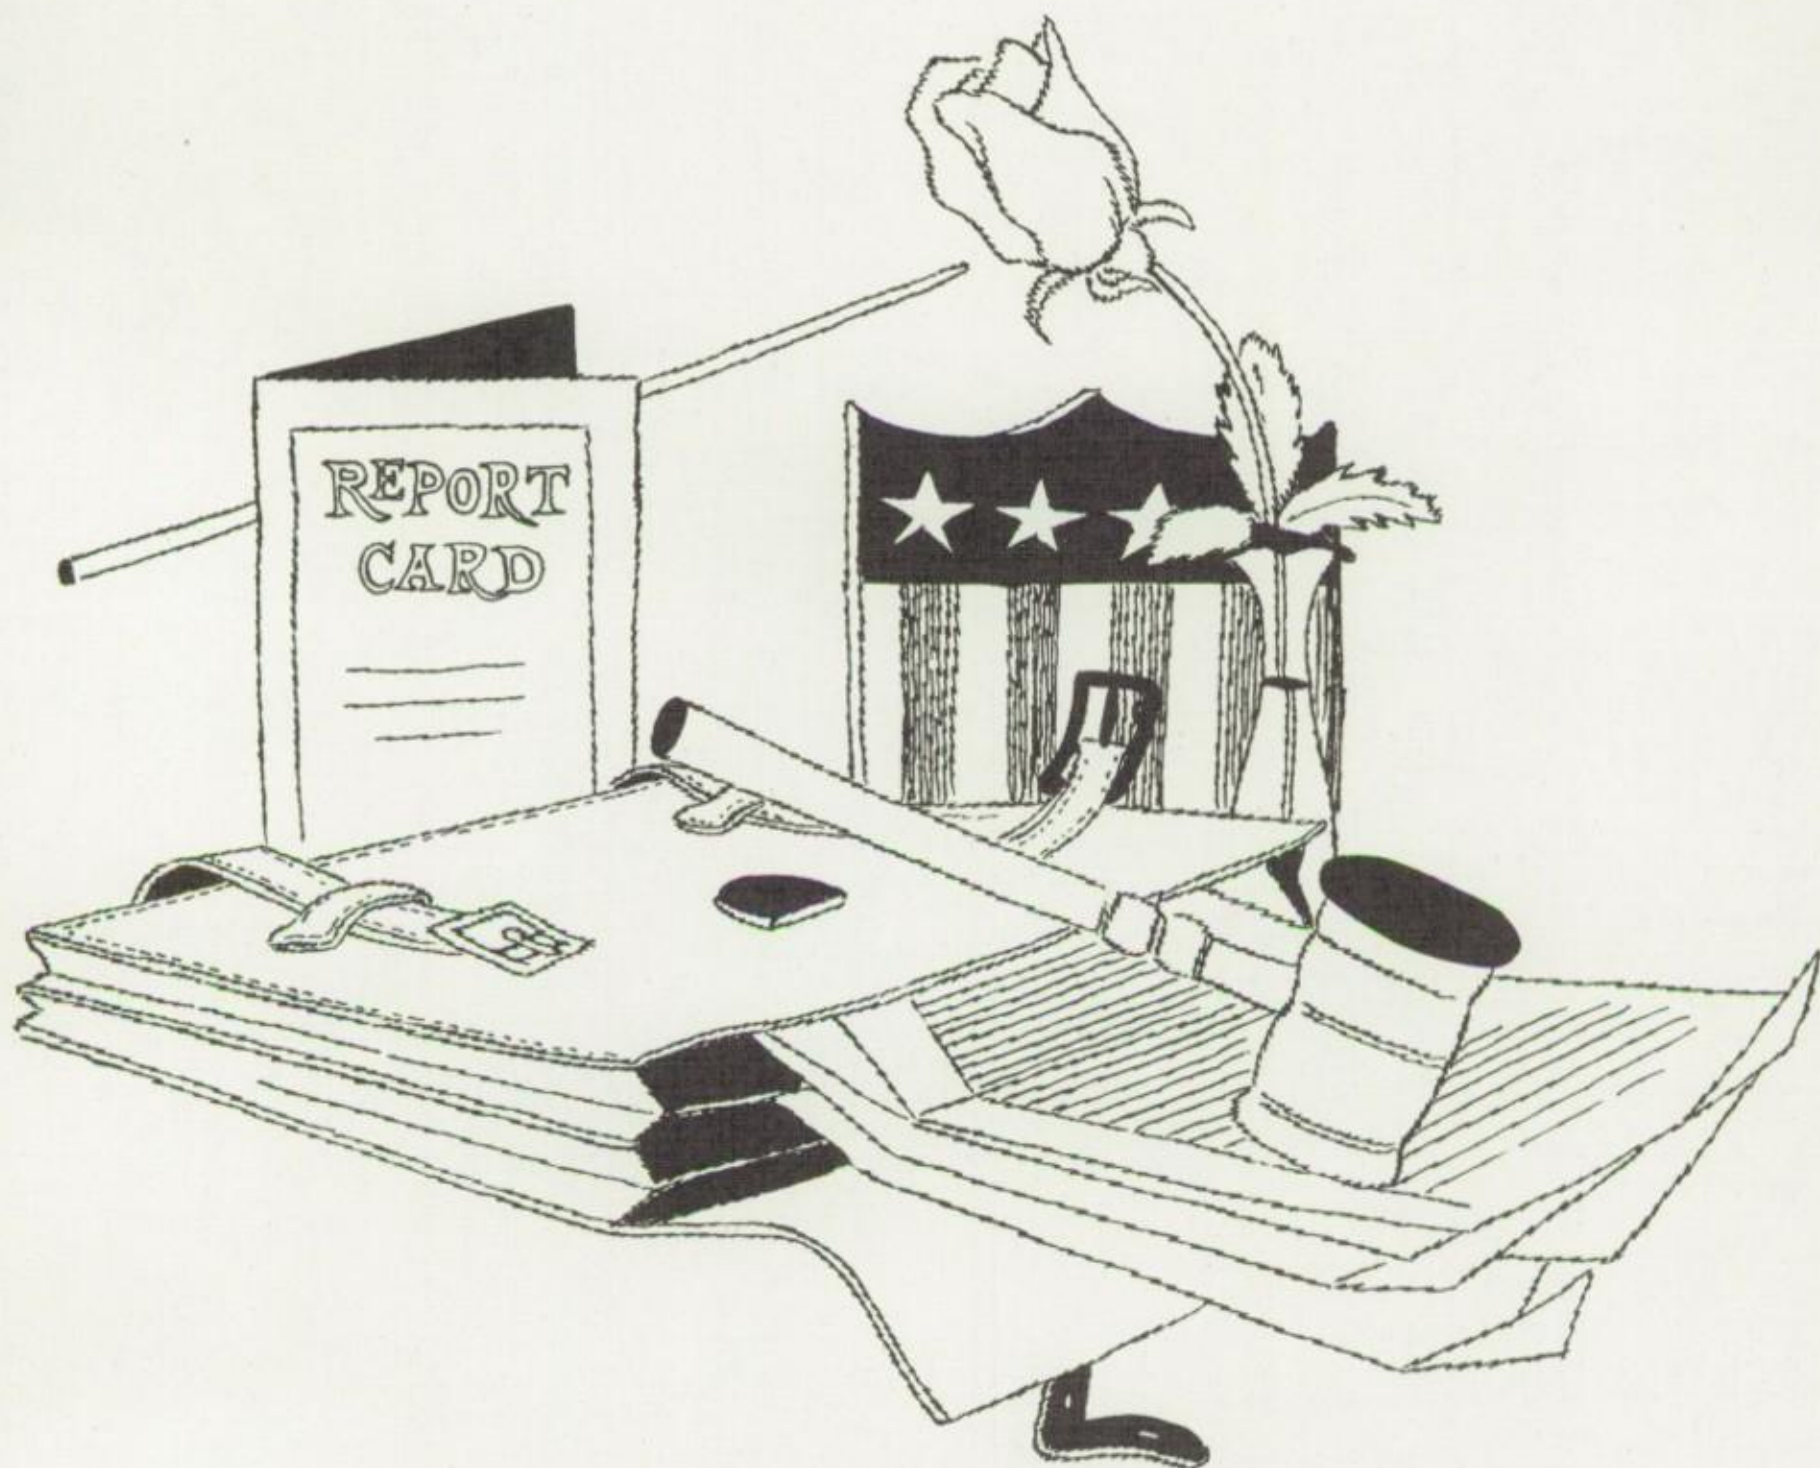

To the Graduating Seniors I offer my heartiest congratulations. To the remaining students of Dayville High School I urge continuous diligence of attainment of their respectable goals.

The school year of 1954 and 1955 has been recorded in history. To the graduating seniors history is yet to be made. As I close my term of office in Dayville I retain many fond memories of old D.H.S. I wish to extend the best of wishes to each and every one of you students. I expect to hear a great deal about Dayville in the future in Academic, Dramatic, Social, and Athletic pursuits.

Gods' speed to all of you in your yet to be made marks in the sands of time.

PROPHECY

May 42, 10 A. B.
(After Atom Bomb)

Dear Diary,

Today we saddled up Old Paint, our faithful old caribou, known to the commoners as reindeer. We mounted, and headed for Dayville (more commonly known as "Hole in the Ground") which is noted for its modern fossils.

As we were riding down the highway, better known as the "Cow Trail", we suddenly smelled smoke and then we saw Lillamay go by in her rocket ship, Gypsy. As she flew by, she dropped us a note saying she couldn't stop because her loving husband, Rob Roy Eisenhower, was waiting for her in China.

We then rode further down the cow trail and stopped at Junction City. (It is remembered by old timers as just the junction). There we saw Gib (the hermit) Gregg, running the space station, and selling atoms for 10¢ a pound, which is very low in this part of the country.

We trotted along for about five miles, and up by the old Weatherford homestead we met Glee. She is now Bubble Gum Queen of Dayville. We asked her why she never married and she told us she was too busy collecting gum wrappers to be interested in men.

Our last stop was at Cummingsville, where we saw Jody and her husband, (who happens to be one of her old flames). She told us she now has 20 kids and is expecting more. By the way, she owns a goat farm.

We then climbed aboard Old Paint and headed for other parts of the country, which are not yet named.

JR.-SR. PLAY

The Junior-Senior classes of 1955 presented their class play "Strictly Formal," on January 12. It was a three act comedy which everyone enjoyed, including the boys and girls who took part in it.

There was a very large crowd and everyone enjoyed it immensely.

JUNIOR-SENIOR ASSEMBLY

The Junior-Senior Assembly was held November 9th, in the Gym. Making up the 45 minutes of entertainment was the "Dollies of the Follies," by the Junior and Senior girls, "The Red Onion Five", and the "Lone Stranger" by the Junior and Senior boys.

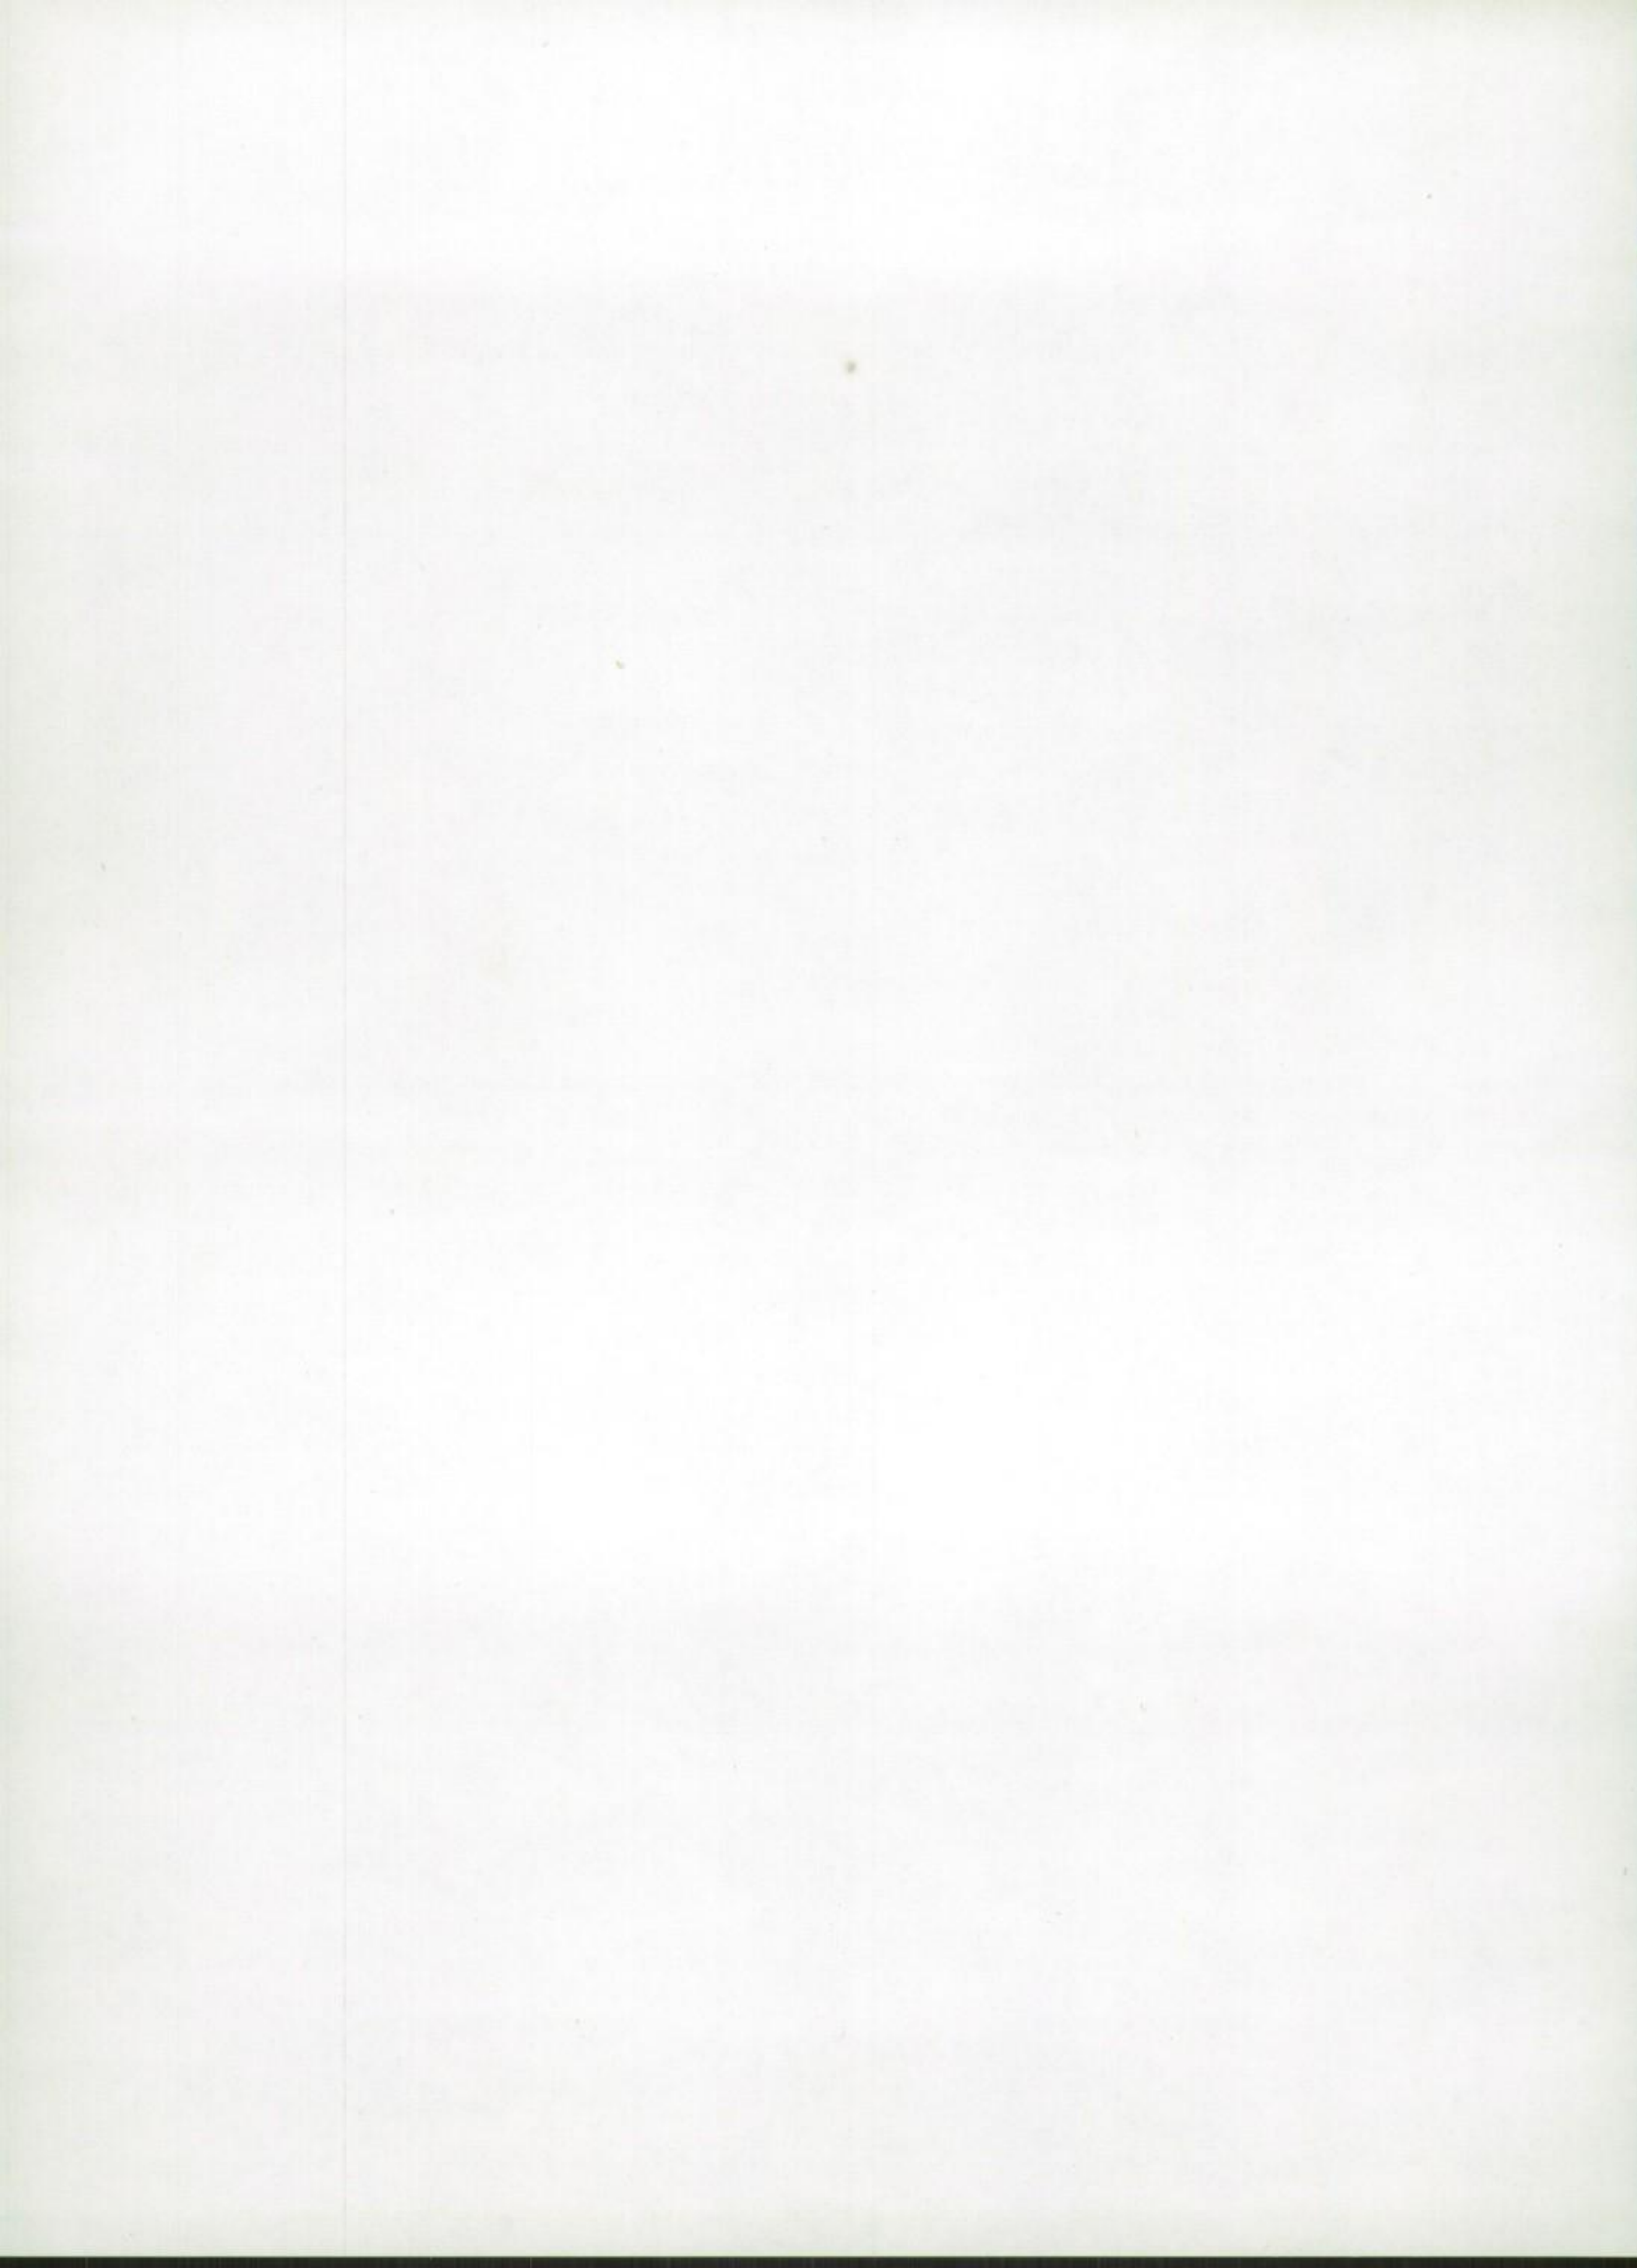

After two weeks of school the Freshmen's teeth were really chattering. It was the beginning of Initiation, which was to last one week.

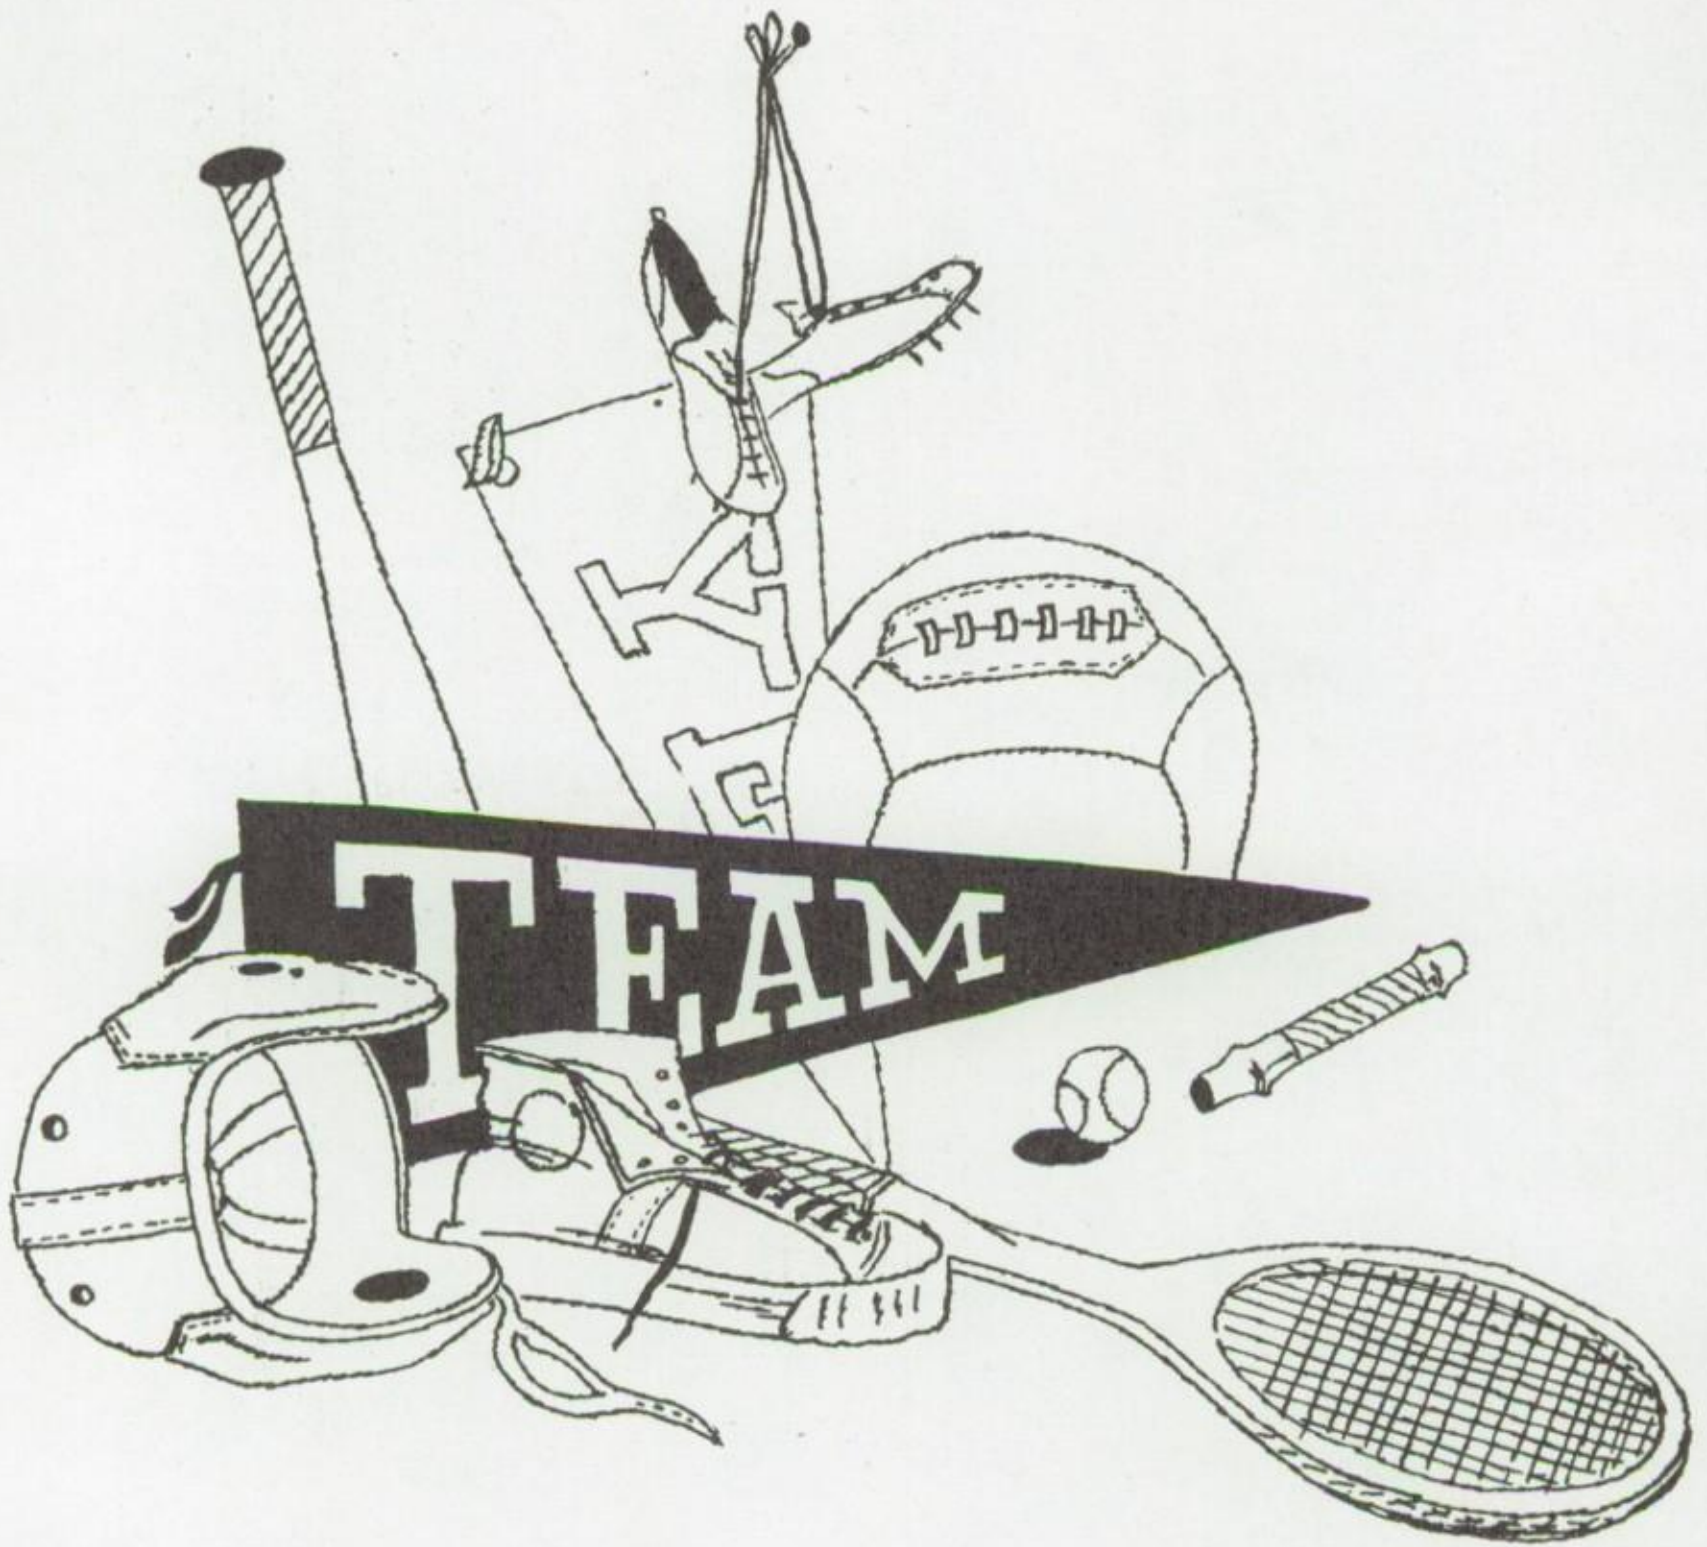

First of all the Sophomores gave us a piece of paper on which was written what we were to wear. We were all glad to see Friday come, which meant the last day of initiation, yet we dreaded the initiation party.

Friday night at the party, the Freshmen were all sent outside, but to the surprise of the Sophomores, we were watching what they were mixing up for us to eat and mess in. It was purex, soap, and etc. Then we were brought inside and blindfolded. Each person was seperately initiated into the high school by eating Caviar, Chili Sauce, Tobasco Sauce, and worms, which were really spaghetti.

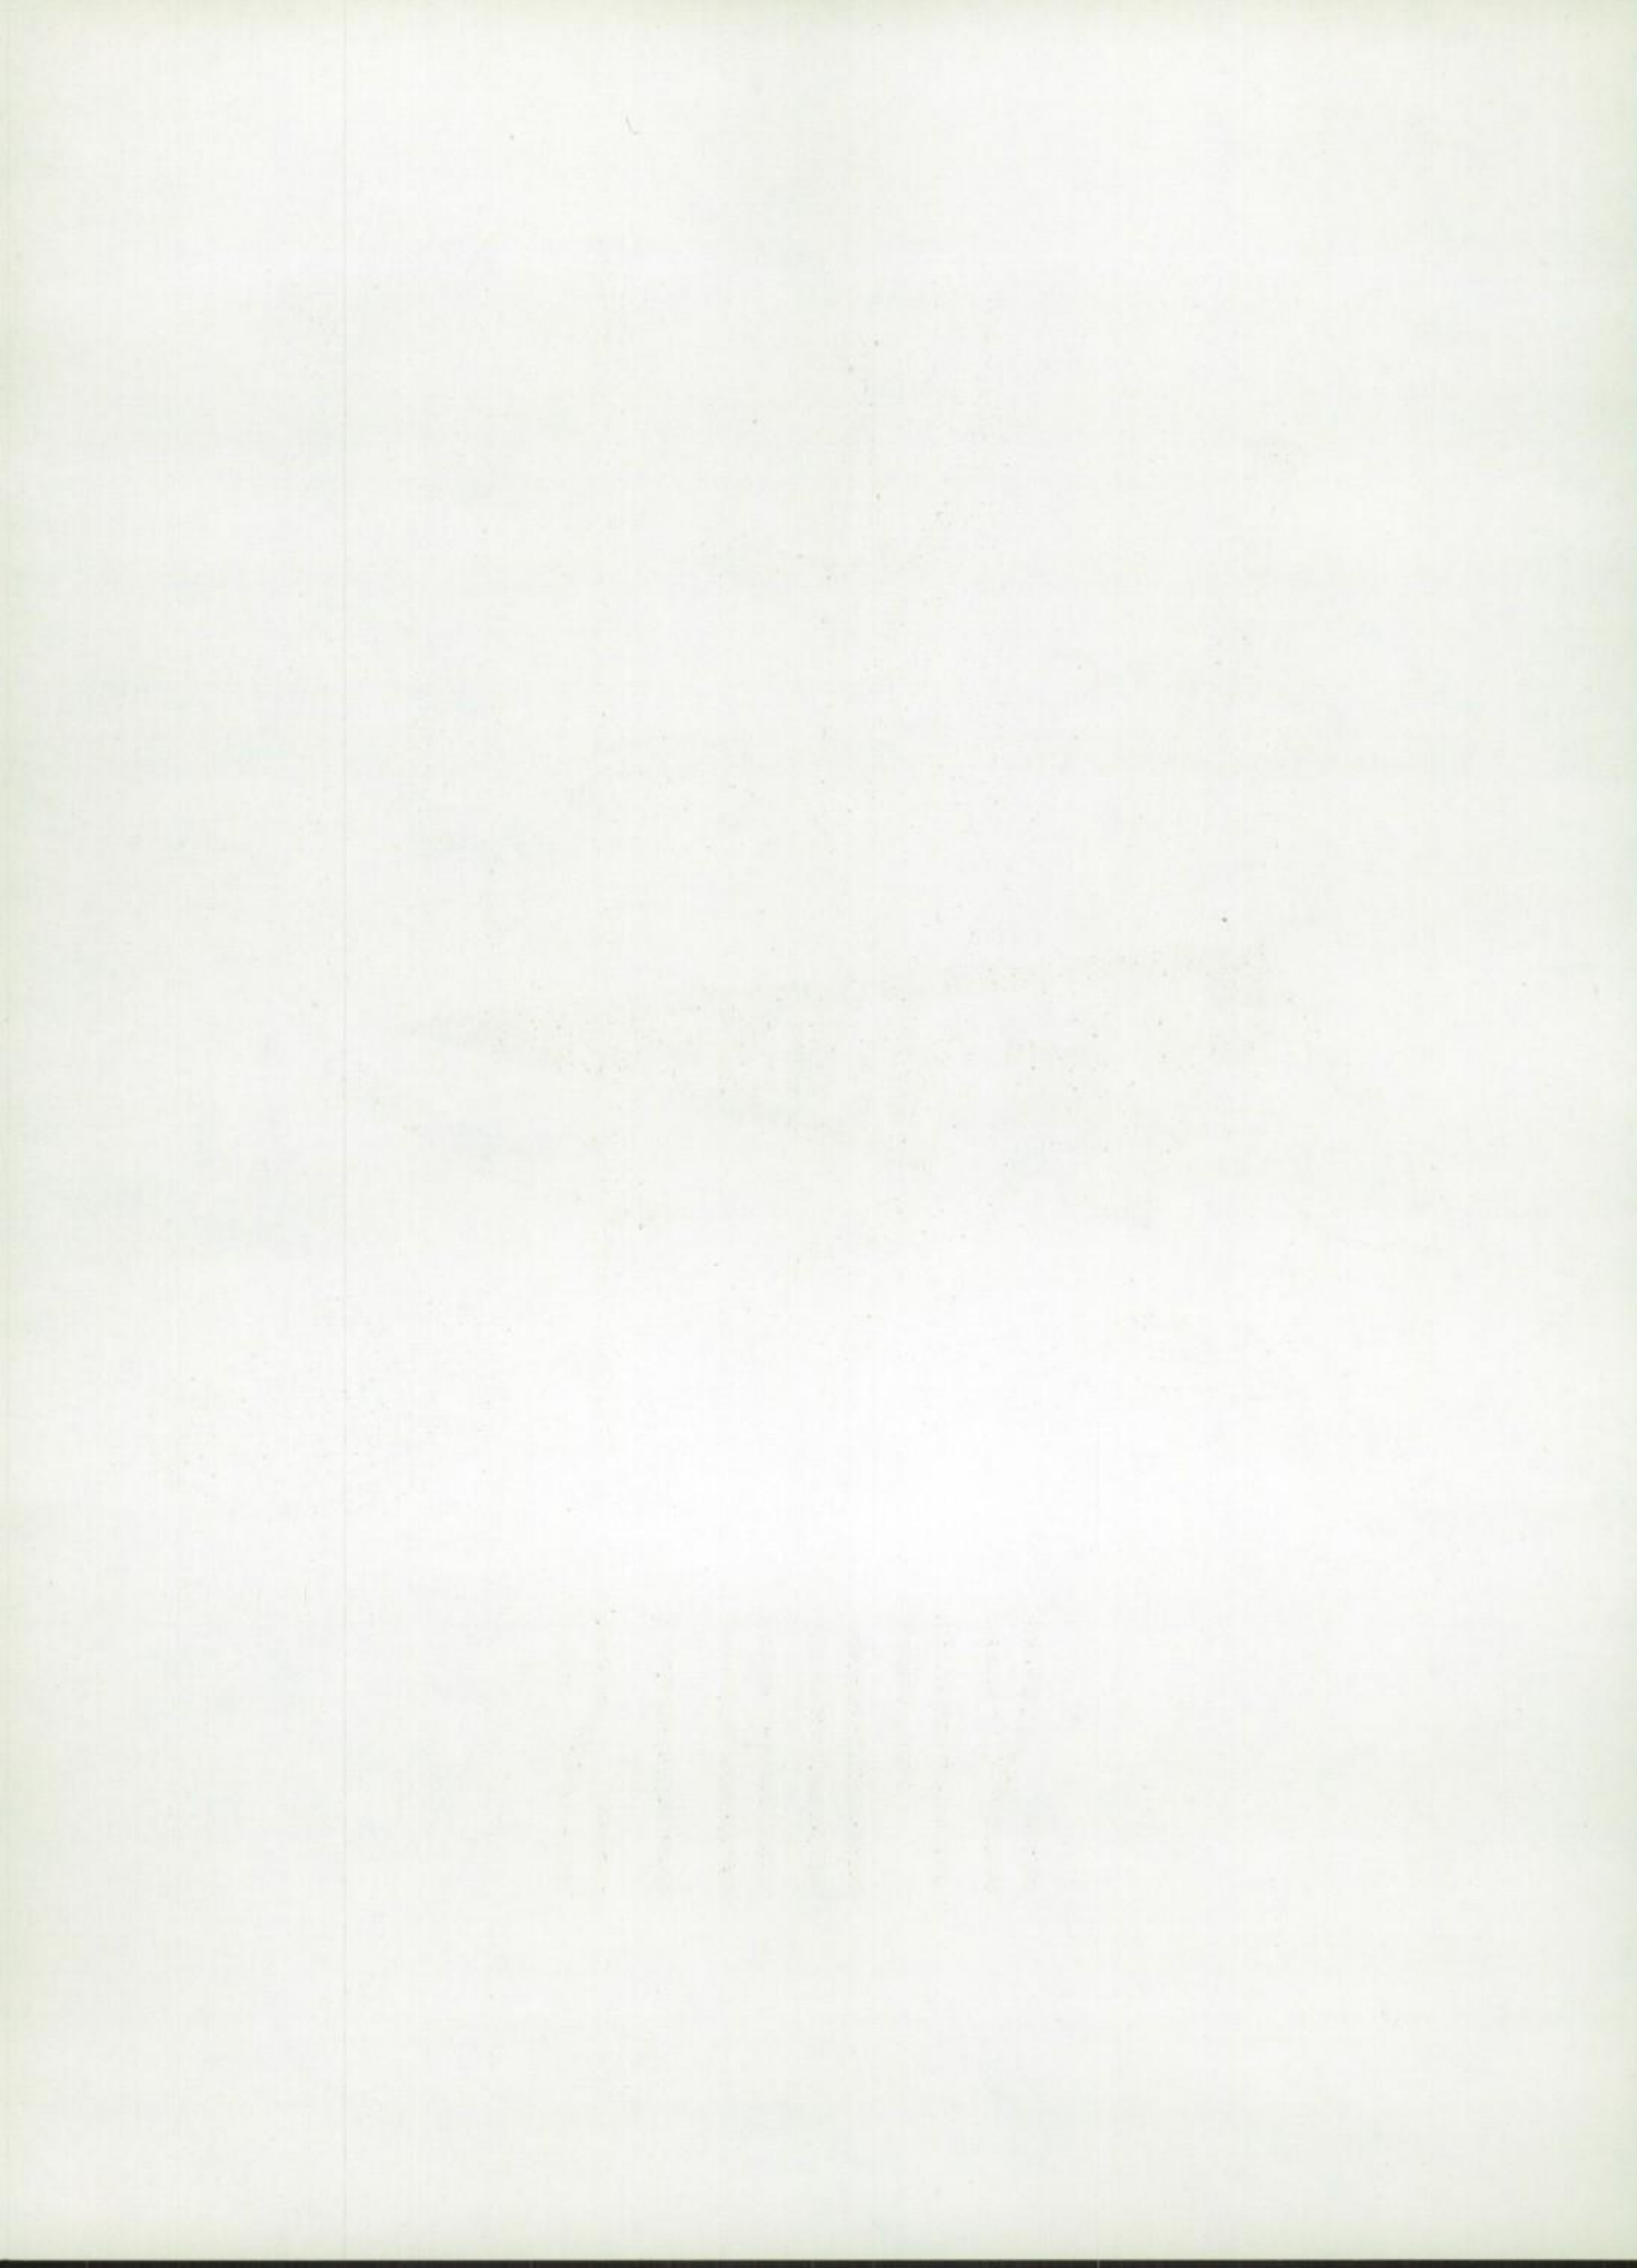

We were dumped in a tub of flour dough with egg shells. Afterwards they fed us ice cream, cookies, and Kool aid, although our appetite was ruined for the night.

The outlook for basketball was not very promising with only four lettermen returning and a new coach. With lots of hustle, and spirit, a team was fielded. What was thought to be a poor season saw Dayville turn in a season record of 13 wins and 4 losses.

The first three places in the 7-B tournament and Tri-County league play were the same with Prairie City, first; Mount Vernon, second; and Dayville, third.

Dayville encountered two new teams this year. They were the Ukiah Cougars and the Lumberjacks from Council, Idaho.

Gib Gregg, captain of the squad, will be the only one lost through graduation and he will be missed when the season rolls around again.

LETTERMEN'S BANQUET

The lettermen's banquet was held in the school cafeteria March 9th, 1955, honoring the basketball team members, managers, coaches, and yell leaders.

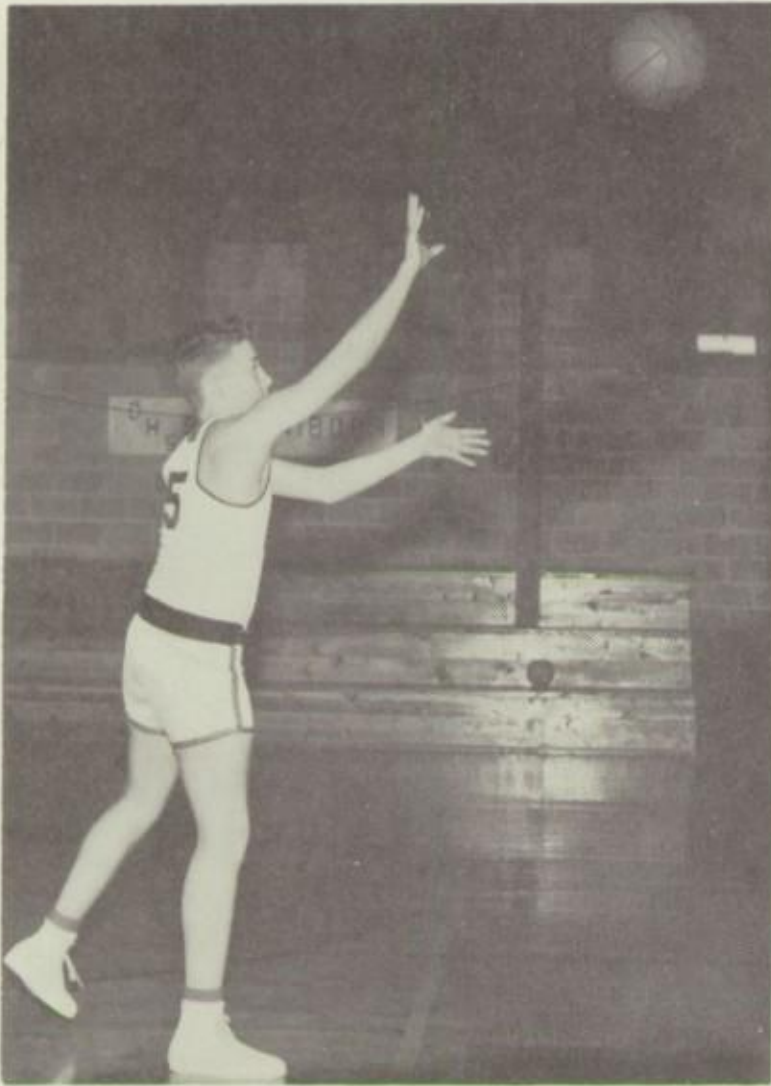

Receiving basketball letters were: Gib Gregg, Buck Steen, Leonard Oster, Mani Martin, Siah Bartlett, Dick Brown, Alan Johnson, Lyle Nodine, Smoky Overton, Delbert Burril, and manager, Joe Barry.

Special awards went to Gib Gregg, the captain's star; a trophy to Mani Martin for the most rebounds and the trophy for the most rebounds and the best percentage of field goals was presented to Buck Steen.

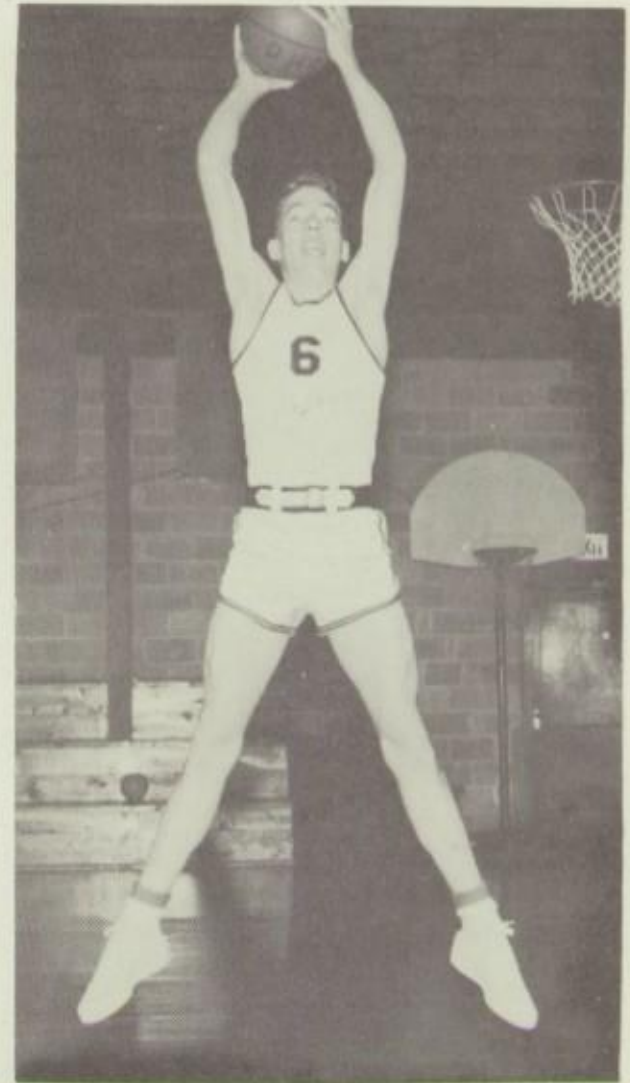

The third place trophy was presented to Gib Gregg, student body president, by Buck Steen on behalf of the team.

YELL LEADERS

During our 1954 and 1955 basketball season, we had two of the best cheerleaders in the county. They were Patti Salsbury and Margie Garrison. These two girls never gave up if we were winning or losing. Due to the good job they did, the cheering section was always behind them.
